1. Executive Session

There was no Executive Session required.

2. Open to the Public- (Public Comment may be limited to three minutes per person per issue)

The Board of Education welcomes your comments, concerns, and questions. Every agenda provides two opportunities for concerned citizens to address the Board. Be advised that we do not discuss specific personnel or student matters in public and if your comment concerns those matters, we ask that you speak to the Superintendent directly.

Effective responsible consideration of an issue by the Board is best accomplished when it is scheduled in advance, as an item on the meeting agenda. Therefore, while comments and questions are welcomed, the Board generally will not respond to items or engage in a dialogue during public comment. When appropriate, questions or concerns may be referred to Administration for investigation, referred to a Board committee for review, or referred to other staff or professionals for assistance, and if necessary, reported back to the Board at a later meeting. Please be advised that there is a 3 minute limit for each public speaker.

No public addressed the Board at this time.
