Mission and Belief Statements

March 2011

Mission Statement

As the center of our community, Northfield Community School provides our children the opportunity to achieve their greatest potential and prepares them to compete and excel in the global 21st century society

Belief Statements

- We believe we provide a safe environment that is conducive to learning.
- We believe in fiscal responsibility.
- We believe implementing our curriculum will best prepare each student for his or her next phase of learning.
- We believe it is critical that community, school and families communicate and work together to provide a thorough and efficient education.

Goals for 2011 through 2016

Planning Committee Action Plans

March 2011

Facility Committee

- 1.0 To provide and maintain a safe, secure and environmentally friendly facility for the education of students and community members

Community Committee

- 1.0 To offer opportunities for all students to voluntarily serve their community throughout their lives
- 2.0 To provide opportunities to educate our students using the community resources

Finance Committee

- 1.0 To align budget priorities to the strategic plan
- 2.0 To secure external funding
- 3.0 To manage reserves
- 4.0 To evaluate shared services opportunities

Curriculum Committee

- 1.0 To rank in the top 10% of our District Factor Grouping in State or National Standardized Test Scores and to achieve the status of Blue Ribbon and/or Star Schools, or similar designation, at all levels possible
- 2.0 To educate parents and other stakeholders regarding current best practices and supply details regarding how instruction is provided and how results are interpreted while providing community outreach to all stakeholders
- 3.0 To provide on-going articulation of curriculum materials (guides, curriculum maps and pacing charts) that are developed in conjunction with Linwood, Somers Point and Mainland School Districts in compliance with the National Core Curriculum Content Standards and in alignment with the National Common Core Standards
- 4.0 To establish a STEM (Science, Technology, Engineering, and Mathematics) program (K-8 as applicable)
- 5.0 To ensure all Students will have an awareness and understanding of diversity
- 6.0 To implement reading and writing across the curriculum (Interdisciplinary writing in mathematics, science, and social studies)
